

I am a second-year IT undergraduate at the University of Moratuwa, Sri Lanka. I enjoy collaborating with like-minded individuals who have a growth mindset and aspire to contribute to global technology in the coming years.

I am proficient in programming and scripting languages such as Python, C, C++, Java, JavaScript, HTML, and CSS.

In addition to that, I have significant experience in web development, and my skills include React, Node.js, Next.js, Express, MongoDB, MySQL, Tailwind CSS, Bootstrap, HTML, and CSS.

I am currently developing my machine learning and AI-related skills, and I am proficient in Scikit-learn, NumPy, Pandas, and Matplotlib in the domains of machine learning, artificial intelligence, and data science.
